## Second Step Caribbean Women's Group

I couldn't resist including some photographs from one of the regular meetings held at SADACCA by Second Step in this newsletter. Creative Burngreave funded the group so they could continue meeting and work on their singing, poetry and acting. The Second Step women's group have been meeting regularly to practice and perform together since the early eighties and as you can see they are still going strong!

Watch out for Carmen Franklin's roots poetry at our celebration event on the 23rd March
